

Energetic Treatment of Lyme Disease with Teasel Flower Essence

In response to the tremendous success of people using Teasel Multiple-Essence Flowering Program, Shari Sternberger & Cindi Callanan are hosting David Dalton, owner of Delta Gardens and founder of the Teasel protocol for a 2-day training and hands-on event. In as little as 3-12 (or more) sessions, people are experiencing dramatic, positive results with one of the most pervasive debilitating chronic health challenges of our times.

Topics

History of the treatment process/ 5 year clinical picture
Some background and history of Lyme
An inventory of popular Lyme testing procedures/interpreting clinical results
Inventory and screening of clients
Watching for co-infections, parasites, heavy metals, organ degeneration
The treatment process – explain-demonstrate-practice
Testing for essences: kinesiology, dowsing, body dowsing
Recovery variables
Using homeopathic potencies of Teasel flower essence
Cautions on remote treatments
Treating dogs and horses
Case histories

Who would benefit?

- . Health Care Practitioners seeking a natural approach for their clients with Lyme
- . Naturopathic Physicians presently treating Lyme
- . Family members/friends - wanting to help their loved ones who are challenged with Lyme
- . People with Lyme - wanting to learn a process of self-treatment
- . People with Pets who have Lyme
- . Flower essence practitioners who have taken this class prior to 2007

When: Saturday, November 21, 2009 (9-4pm) and Sunday, November 22, 2009 (9-3pm)

This venue offers you the opportunity to complete all the training at once. Training will include: learning about David's Teasel Flower Essence - how he discovered it, its use and application, other factors that are part of the Lyme picture, hands on practice, questions and answer time and information on how to become a Teasel practitioner and be eligible for referrals from Delta Gardens and product discounts.
